Dear Hank:

I want to express my sincere appreciation for the wholehearted cooperation and support received from you and your organization during the activities of my Working Group. The briefings provided by Major LeVan and Major King were by far the best received. Inasmuch as our Working Group has completed its report, I see no further need for additional contacts therewith, and have forwarded each a letter expressing my appreciation for their briefings (copies attached hereto).

In addition, I wish to commend Major Hough's performance throughout our working sessions. He has willingly accepted responsibility and discharged same with sound intelligence judgments. His support and activities have been invaluable in achieving the report you will be receiving shortly.

Thanks again for your cooperation.

Sincerely,

/s/

Chairman
